## Kaleigh Rice (4th grader)

Kaleigh doesn't know what her favorite part of Sharp Creek is. However, her favorite special is gym. She does gymnastics and cross country outside of school. Her favorite book is "The Water Castle." Kaleigh's favorite class is science! Her least favorite part of Sharp Creek is the water fountains and reading.

## Mr. Bair

Mr. Bair has been teaching for 45 years! He hates coaching the robotics club, just kidding! He enjoys it because he wouldn't do it if he didn't like it. He has no idea how long it's been since his hair was short. All the parts of the day are his favorite, but some days he just wants to slap someone (specifically Neil). He loves all foods!
